### Annual Report for 1911 With the Supplements to the Guide to the Experimental Plots Containing the Yields per Acre, Etc.

Full Table of Content

# Comparative Test of Nitrogenous Fertilisers Wheat ( After Wheat in 1910 and Barley in 1909) Little Hoos Field 1911

#### **Rothamsted Research**

Rothamsted Research (1912) Comparative Test of Nitrogenous Fertilisers Wheat (After Wheat in 1910 and Barley in 1909) Little Hoos Field 1911; Annual Report For 1911 With The Supplements To The Guide To The Experimental Plots Containing The Yields Per Acre, Etc., pp 19 - 19 - DOI: https://doi.org/10.23637/ERADOC-1-103

## COMPARATIVE TEST OF NITROGENOUS FERTILISERS.

MANGOLDS (after Wheat in 1910, and Barley in 1909).

#### LITTLE HOOS FIELD, 1911.

| Plot.     | Manuring in 1911.   | Produce per acre. |  |            |  |
|-----------|---|-------------------|--|------------|--|
|           |   |                   | Roots.                                 | Leaves.    | Total.                                 |
|           |   |                   | Tons.                                  | Tons.      | Tons.                                  |
| 1)        | 3 cwt. Superphosphate, and 200 lb. Sulphate of Potash                                       | 1                 | 9·7<br>9·8                             | 2·2<br>2·4 | 11.9<br>12.2                           |
