II. Grassland. All grassland was harrowed with the chain harrow in April 1937, and then rolled with the Cambridge roller. The following fields were then laid in for hay, which was cut as follows :—

Roadpiece Field—June 25 (S.W. end) and July 14 (rest of field).

Great Hill—June 9-10 (East end) and July 14 (rest of field).

Warren Field—July 1-3 (N. Paddock) and July 12-13 (rest of field)

Lansome Field (S.W.)—June 12.

The remainder of the grass, viz. :—Great Hill Bottom, Honeypot, Broad Mead, Long Mead, Mill Dam Close, and the N.W. end of Butt Fur-long was grazed and cut over.
