Absolutely nothing doing except the ordinary routine. My last day for a little time anyway, as morning orders - I am rather sorry, as I liked having my afternoons off.

Went had a bath at the Casino - I was told how thin I looked on my return but I rather hope that there were not so many strata of soil, sand, rock as that upon me. While waiting I fell way to a Belgian officer who described me as 'très gentil'. Notte fellows!

Concert in the evening - programme not as per opposite as there were a good many changes, and the people I went to hear did not sing (Wiles ^{or} take). I was surprised to see Dodshum over here, I met him had a most helpful talk with him at the band office in January. I stand in his debt.
